

COMPANY OVERVIEW

Official Brand / Company Name:

Mulveer Jewellers

Tagline:

Promises of Purity and Perfection

Year of Establishment:

2000

Business Type:

Retail and Custom Jewellery

Founder / Owner Names:

Mr. Raju Shankar Bekwadkar and Mr. Varun Shankar Bekwadkar

Company Story:

Mulveer Jewellers began its journey with a strong foundation in gold ornament manufacturing, specializing in crafting fine gold jewellery. The brand later expanded into retail as the jewellery industry witnessed rapid growth and evolving consumer demand.

The name “*Mulveer*” is derived from a revered form of Lord Shiva. Rooted in spiritual significance, the brand embodies purity, trust, and craftsmanship. Mulveer Jewellers is dedicated to offering guaranteed, authentic jewellery with a commitment to transparent pricing, minimal making charges, and designs that balance tradition with modern aesthetics.

Vision Statement (drafted for your review):

To become a trusted household name in the jewellery industry by offering pure, certified, and beautifully crafted ornaments that reflect timeless tradition and modern elegance.

Mission Statement (drafted for your review):

To consistently deliver jewellery of unmatched purity and design excellence; to nurture long-term trust through honest pricing, personalized service, and innovation in every creation; and to make the divine essence of “Mulveer” shine through every ornament we craft.

BRAND IDENTITY & VISUAL DIRECTION

Logo:

Mulveer Jewellers already has a defined monogram-style logo, featuring the initials “**MJ**” enclosed within an ornate circular frame — symbolizing prestige, artistry, and timeless design. The intricate floral detailing around the border reflects the brand’s balance of traditional craftsmanship and refined luxury.

Inspiration Behind the Name “Mulveer”

The name “**Mulveer**” is inspired by a sacred manifestation of **Lord Shiva**, whose temple resides in Goa. The brand name carries a divine resonance — representing **strength, purity, and eternal protection**.

In visual storytelling, this can be reflected through elements like:

- Symbolic gold gradients resembling temple architecture
 - Traditional motifs such as lotus petals, mandala outlines, or sun rays
 - A balance of divine warmth and regal luxury
-

Brand Personality (3–5 words)

Royal · Modern · Traditional · Pure · Honest · Trustworthy

Mulveer Jewellers’ personality merges **royal heritage** with **modern credibility**. It speaks to both traditional family values and new-age sophistication — appealing to customers who value both spiritual connection and refined elegance.

Preferred Color Palette & Visual Tone

Primary Preference: **Deep Maroon** — representing richness, devotion, and trust.

Suggested Complementary Palette:

- **Antique Gold:** for warmth, legacy, and divine radiance
 - **Ivory White / Cream:** for purity and balance
 - **Charcoal or Matte Black:** for contrast and luxury sophistication
 - Overall Direction: **Indian Traditional Luxury** — rooted in heritage but clean and modern in execution. This palette will harmonize beautifully with your ornate logo and highlight the purity of gold jewellery in product visuals.
-

Visual Reference Brands

- **Tanishq** — admired for its trust-driven brand narrative and emotional campaigns.
- **Malabar Gold & Diamonds** — for its premium presentation and intricate photography style.
- **Bhima Jewellers & Kalyan Jewellers** — for their heritage aesthetics and strong traditional storytelling.

Mulveer should draw inspiration from their **photography quality, ambient lighting, and model presentation**, while maintaining a distinct brand identity centered around spirituality and authenticity.

Emotional Tone

Mulveer Jewellers aims to create a **sacred yet comfortable experience**, both in-store and online. Customers should feel:

- **Emotionally connected** to the brand's divine inspiration
- **Confident and comfortable** in their purchase decisions
- **Spiritually fulfilled** by wearing ornaments that carry purity and meaning

As the brand transitions toward **online expansion**, maintaining this warmth and sacred feeling digitally will be key — through storytelling, photography, and color consistency.

Tagline / Tone of Voice / Slogan

Primary Tagline: **"Promises of Purity and Perfection."**

Tone of Voice: **Respectful, Authentic, and Aspirational** — a blend of devotion and confidence that reflects both craftsmanship and customer trust.

Supporting Phrases (optional for banners or campaigns):

- *"Where Purity Meets Divinity."*
- *"Crafted with Faith, Worn with Pride."*
- *"Inspired by Tradition, Perfected by Trust."*

PRODUCTS & OFFERINGS

Primary Product Categories

Mulveer Jewellers offers a curated range of fine jewellery across three major categories:

- **Gold Jewellery** — Traditional and contemporary ornaments crafted in 20K and 22K gold.
- **Silver Jewellery** — Elegant silver articles and ornaments with guaranteed purity.

- **Diamond Jewellery** — Certified and finely crafted diamond pieces for both daily wear and special occasions.

Each collection blends artistic design, craftsmanship, and authenticity to deliver timeless elegance.

Custom / Made-to-Order Designs

Mulveer Jewellers specializes in **custom jewellery services** to bring each customer's vision to life. Customers can share or select a desired design, after which the team evaluates feasibility and coordinates with the in-house workshop. Based on the chosen design, Mulveer provides an estimated **weight, carat, and cost** before production.

This personalized approach ensures every piece reflects the customer's individuality, with precision and transparency at every step.

Signature & Best-Selling Collections

The brand's product range showcases both heritage and innovation through signature lines such as:

- **Modern Minimal Line** – Sleek, elegant designs for everyday wear.
 - **Temple Collections** – Divinely inspired, traditional designs featuring spiritual motifs.
 - **Traditional Heritage Styles** – Classic craftsmanship for weddings and festive occasions.
 - **New & Unique Designs** – Fresh, trend-forward creations reflecting evolving tastes.
-

Approximate Product Count for Website

The initial website catalogue will feature approximately **50 premium jewellery pieces**, carefully selected to represent the brand's key collections and craftsmanship quality.

Product Variations

Mulveer offers variations in:

- **Metal Purity:** 20K and 22K gold options
 - **Weight and Size:** Customizable to client preferences
 - **Style and Design:** From antique finishes to minimal modern lines
 - Product pricing is transparently determined by **carat, weight, and design intricacy**.
-

Certifications & Assurances

All jewellery pieces come with:

- **BIS Hallmark Certification** (for gold)
- **Diamond Authenticity Certificates** (for diamond jewellery)
- **Purity Guarantee** for both gold and silver ornaments

These assurances uphold Mulveer's core values — purity, transparency, and trust.

Additional Services

Mulveer Jewellers provides a range of customer-focused after-sales and value-added services, including:

- **Jewellery Repair & Polishing**
- **Gold Exchange & Buyback Options**

WEBSITE REQUIREMENTS

Primary Goal of the Website

Mulveer Jewellers' website will serve multiple purposes:

- **Day-to-Day Gold Price Display** — allowing customers to view current rates easily.
- **Product Catalogue** — showcasing jewellery collections, designs, and key details.

- **Brand Awareness** — presenting Mulveer as a trusted, premium jewellery brand rooted in purity and tradition.

The site will combine functionality with storytelling, bridging the physical store experience with the upcoming digital presence.

Desired Features & Functionalities

To enhance user experience and customer engagement, the website will include:

- **Gold Price Ticker** — real-time display of gold rates.
- **Product Filters** — allowing customers to sort products by type, price, carat, and style.
- **WhatsApp Chat Button** — for instant customer support and enquiries.
- **Store Locator / Google Map** — helping users locate the Belgaum store easily.
- **Social Media Integration** — linking Instagram and other platforms for brand visibility.
- **Customer Inquiry Form** — enabling visitors to request custom designs or ask questions directly.

These features ensure a seamless blend of **information, engagement, and future e-commerce readiness**.

Payment Gateway

Currently, online payment is **not required**, but the website will be structured to integrate a payment gateway in the future, when online sales are launched.

Multi-Language or Shipping Requirements

- At present, the website will be **single-language (English)**.
 - Shipping functionality is **not required at this stage**, as sales will primarily be in-store.
-

Competitor & Inspiration Websites

Mulveer Jewellers draws inspiration from:

- **Kalyan Jewellers** — for clean navigation, product presentation, and trust-building features.
- **Bhima Jewellers** — for traditional design storytelling and rich visual aesthetics.
